Make a Splash and join us in support of Lysanne Ray Sebastian's fight against breast cancer, and make a difference in the lives of family, friends and others in the community whose lives have been affected by it! You can swim any distance you'd like or simply show up and give your support. Donations will benefit the Komen Orange County Affiliate.

Lysanne Ray Sebastian is one of the most genuine and fun-loving people you'll ever meet. A 36 year-old mother of two young children, Lysanne has a heart of gold and is loved by all who know her. Incredibly active, she started as an accomplished swimmer, rowed for the University of San Diego and now races Hawaiian outrigger canoes for the Imua Outrigger Canoe Club, where she met her husband Rick.

A few months ago, however, Lysanne was preparing for her next class as a teacher when she was diagnosed with invasive ductile carcinoma, otherwise known as breast cancer. Although her world immediately changed and the diagnosis was initially devastating, Lysanne has been maintaining a positive attitude with the overwhelming support of her parents, Walkie and Janet Ray, extended family and friends. Likewise, Lysanne has been an inspiration to everyone around her through the sharing of her story, her participation in the Susan G. Komen Orange County Affiliate Race for the Cure, and her support for the Make a Splash Swim-a-Thon.

Registration: \$10.00 per swimmer and \$25 per family of swimmers*. Checks should be made out to Make A Splash and be mailed along with the registration form to: Make a Splash, 1072 Elm Street, Winnetka, IL 60093.
